Walk-ins are welcome. \$5.00 of every ticket purchased and redeemed at the History Theater performances will be donated to the Miracle League. The Miracle League of Minnesota is a charitable organization that provides children with mental and/or physical challenges an opportunity to play baseball as a team member in an organized league. There is something about playing the game of baseball that lights up kids' eyes, but for children facing physical and mental challenges, that opportunity can often be a difficult first step. The Miracle League gives these children the opportunity to get out in the sunshine and enjoy the game of baseball in its purest form. IT'S OUTTA HERE! is the first event presented by Minnesota Productions, a non-profit arts company devoted to providing community-based theater, working with local talent and exploring new and original creative works in theater, film, web and mobile entertainment. Minnesota Productions has teamed with The Miracle League of Minnesota as a way of promoting the positive, healing influence that baseball can have on children. IT'S OUTTA HERE! allows audience members to spend a fun-filled nine innings of original, delightful and hilarious one-act plays and sketch comedy written, directed and performed by Minnesota talent. IT'S OUTTA HERE! combines the drama of the game with the intimacy and immediacy of live theater. It is designed to be like an actual game with nine one-act plays or "innings". It features baseball themes, an intermission (seventh inning stretch), stadium vendors and culminates with a noted baseball comedy sketch. It will be performed at several theaters in the

Twin Cities and surrounding area from March 5 to April 18, 2010. Tickets for all shows, including the Miracle League fundraiser can be purchased online at www.itsouttahere.net or www.facebook.com/itsouttahere/.
